

Join Our Smile for Life Oral Health Training!

Wednesday 28th January 2026 10-11am online

Good oral health matters for every child, parent, family – everyone! It helps prevent toothaches, infections, tooth loss and supports healthy development, confidence and good health and wellbeing.

What the training offers:

Short, powerful oral health messages for lifelong habits
Local NHS dental care info & free oral health resources
Confidence in signposting and supporting families

Who can Join?

All front-line staff
Community & Family Hub
Partner organisations & community groups

Why Take Part?

Oral health is everyone's responsibility!
Prevention & early intervention are key
Collaboration leads to better outcomes
Extra resources provided after training
