

Live online 30-minute Ofsted update 11:15am Friday 13 March 2026

This session builds further on the autumn 2025 update. It is informed by learning from the first phase of renewed EIF inspections.

A must for school leaders.

Presenter: Diane Pye

£45 (+VAT) per school

This session will include information about:

- findings from inspections and next steps
- what foundational knowledge inspection considers
- being clear about 'secure fit'
- start of the day – questions to focus on
- learning walks – questions to focus on
- IDSR and achievement
- inclusion – what this means in practice
- crucial aspects of leadership and governance
- monitoring and report cards

This session is designed to be a brisk, succinct session to cover the headlines. It will not be recorded and the PowerPoint will not be sent out as a document. Diane will stay online for a while after the session to answer any questions. Alternatively, she will respond to questions via email after the event.

The session is aimed at school leaders.

It will be online via Microsoft Teams.

Thank you.
