**Free Teacher CPD River Day – 22 May 2026**

**Preston Montford, SY4 1DX**

# Experiential +Adventure Learning CPD

Leading Learning Outdoors is a practical, reflective CPD day built around a supported canoe journey on the River Severn, from Montford Bridge to Shrewsbury.

Join us on a river journey which acts as a living case study for how learning, leadership and pupil development can be intentionally designed through outdoor experiences. Across the day, participants explore:

- leadership, supervision and presence in dynamic environments
- designing challenge without increasing risk
- inclusion and adaptation with mixed confidence groups
- short, purposeful reflection that links experience back to school practice

Friday 22 May | 9:30–3:30 | Free to attend

We'd love to welcome you.
