Shropshire Virtual School

# Fully-funded training for schools in Shropshire

Equip yourself with evidence-based tools to better understand and support children and young people facing complex experiences. Our fully funded training sessions will help you create safe, inclusive and supportive environments where every child and young person can build resilience and thrive.

## Adoption, Post Permanence and The Role of Schools

**12/11/2026**
**3.30pm - 5.30pm**

Explore how trauma, attachment and a child's journey to permanency can shape behaviour, emotions and learning, with practical strategies to help children feel safe and regulate their emotions.

## Sexual Orientation and Gender Identity

**12/01/2027**
**3.30pm - 5.30pm**

Explore LGBTQ+ issues, inclusion and respect, developing confidence to have age-appropriate conversations, challenge bias and bullying, and support young people to build resilience.

## Self-Harming Behaviours

**18/05/2027**
**3.30pm-5.30pm**

Explore why young people may use self-harm to manage overwhelming emotions, and how supportive relationships can create safety and help young people move towards recovery.
