Online Safety Week Autumn 2026 with Safeguarding expert Richard Smith

Monday 23rd November to Friday 27th November

- Get ahead of the game in this key area
- Improve online safety provision in school
- 6 opportunities to choose from (face to face and online)
- certificated to support your CPD records.

A week of events for staff and Governors to help face the challenges to Safeguarding through the use of digital devices both in school and at home. Richard is the named person who Shropshire safeguarding officers refer schools to for internet safety advice.

Content for all courses to include:

1. The 6 new digital literacy available to schools (linked to NEW curriculum)
2. AI Literacy and techniques for supporting greater understanding
3. Five techniques to develop 'online kindness'
4. Update of the 'Smartphone Free Childhood' pact for parents
5. Essential Online Safety updates and policy mandates within KCSiE 2026
6. Supporting SEND through a better understanding of barriers
7. The role of acting and drama in delivering Online Safety messages
