

*Are you a parent or carer of children with SEND?*

*Are you keen to be part of an inclusion movement in your area?*

*Children with SEND are missing out on their entitlement to early years places nationally and your local authority area are part of an exciting project to support more inclusive places through a comprehensive training programme for the early years sector.*

*We are looking for parents and carers who want to help spread the word and be part of this amazing opportunity.*

If you'd like to find out more please contact us at [changemakers@dingley.org.uk](mailto:changemakers@dingley.org.uk) and we will invite you to a briefing session where you can meet other families across the areas we work with and of course us!
