

Stepping Forward

Performing Arts for Life Programme

Stepping Forward is a new and exciting programme of online videos and activities to introduce the performing arts to young people in care aged 13-17, with the prospect of learning new life skills to help with future opportunities.

If this interests you, you could earn up to £200 paid into your CTF/JISA by working through the stages, having a go at the activities & learn about careers in performing arts!

To register, go to: www.sharefound.org/steppingforward
