How young people sign up for.. STEPPING FORWARD

Young people need to fill in their own registration details on link:
https://steppingforward.sharefound.org_

1

We cannot approve registrations with key adults' emails or information!

2

Young person should then receive a email to confirm registration and to await approval from us.

We will send 'Application Approved' email. This will include their secure virtual email & the link to login page.

3

We check that the young person is aged 13-17 & have been in care for one year continuously.

Virtual email will look something like:
100123@steppingforward.uk

4

Once on login page, young person uses their **virtual** email and the original password that they entered on registration.

Young People can work through the programme at their own pace, stage by stage & earn whilst they learn!

5

Log back in link:
<https://steppingforwardtsf.wixstudio.com/my-site-7>

Young people should watch all videos for each stage to ensure they get the maximum benefit & enjoyment from the programme.

6

Money from each stage will be paid into young person's Junior ISA or Child Trust Fund.

If unable to, it will be paid by bank transfer after their 18th birthday.
