# How young people sign up for.. **STEPLADDER PLUS**

Young people need to fill in their own registration details on link:  
<https://stepladderplus.sharefound.org>

**1**

**We cannot approve registrations with key adults' emails or information!**

**2**

Young person should then receive an email to confirm registration and to await approval from us.

We will send 'Application Approved' email which will contain link to set up password & details to login.

**3**

**We check that the young person is aged 15-17 & have been 'in care' for one year continuously.**

**If not approved, email will give details as to why this may be**

**4**

Young People can work through the programme, step by step & earn whilst they learn!

Money from each step will be paid into young person's Junior ISA or Child Trust Fund. If unable to, it will be paid by bank transfer after their 18th birthday.

**5**

**You must complete Step 1 within one month of registering, or you will be made inactive**
