TOWER HAMLETS

SUMMER 2021 HOLIDAY ACTIVITIES AND FOOD PROGRAMME

This Summer, we will be delivering the Department for Education's Holiday Activities and Food (HAF) programme in Tower Hamlets.

We have a wide range of organisations locally who will be delivering food and activities across Tower Hamlets — each will provide delicious, healthy meals, allow kids to get active, help them learn new things, make friends and have fun. And that is what the holidays are all about!

The holiday programmes are open to all school-age children and places will be prioritised for children eligible for free school meals. All clubs will be free to attend for those eligible for free school meals.

Pick up a pamphlet or visit www.towerhamlets.gov.uk/HAF for details on the activities and how to sign up!
