

The Attachment Research Community

Learning Hub Events

Developing Trauma Informed and Attachment Aware Practice in School

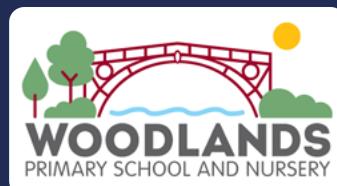

This session will focus on how the leadership team developed TIAA practice within the staff team and successfully implemented a restorative approach, within the wilder school community. This will also include a tour of the school, modelling effective resources and strategies used at Woodland's and sharing the qualitative and quantitative data that demonstrates the positive impact this has had on our children and school community and time for Q&A.

Monday 16th June 2025
4.00pm - 5.30pm
Free to attend

Venue:

**Woodlands Primary School,
Ironbridge Road, Madeley,
Telford, Shropshire, TF7 5HX**
