Fellowship Square is host to a variety of community and Council led events, including seasonal programmes. We are excited to announce our Autumn/Winter Market Programme from 5th November – 18th December we will be programming 5 differently themed Markets (Food & Drink, Vintage, Christmas and Designer Craft)

Our winter markets last year generated a footfall of around 3000, there will be fountain shows, live music and entertainment at each event and will be marketed via our internal comms department.

Local businesses and residents will have priority on application. Upon review of all submissions, we will award stalls to successful applicants. Declaration

I have read and understood the Terms and Conditions document, and I agree to them as requirements for my participation in the event.

I have included the evidence and certificates required for my business if applicable. I acknowledge that, if this information has not been provided, my application may be disqualified from consideration for the market.

I understand that I am submitting an application to receive a market stall for Fellowship Square 2022, but that my application may be denied for a number of reasons. I acknowledge that Waltham Forest Council is not obligated to allocate a market stall to me, and that it does not guarantee the sale of my goods during the market if awarded a stall.

If awarded a stall, I understand it is my responsibility to promote the sale of my goods prior to the Fellowship Square Markets, to help ensure that I am drawing the crowd that I expect. It is not mandatory for Waltham Forest Council to advertise or promote my product(s)/service(s) in any way, and they are free to promote the event as a whole and as they see fit.

I agree to pay the fees as listed under pitch fees if awarded a stall.

I recognise these are still unpredictable times with relation to government advice and Covid-19, and that if required, Fellowship Square may be forced to postpone or cancel the Event for the safety of the public. In this instance, I will be refunded any deposit if already paid. Alternatively, if the event goes ahead as planned, I agree to uphold the Covid safe measures as outlined in the Terms and Conditions throughout the duration of my selling experience at the event. Any breach of these terms may result in me being asked to leave the event earlier than planned and no refund will be offered.
