

Discovery Webinars

Event Summary

An opportunity for Early Years Practitioners to attend a free 45 minute webinar to find out more about the Early Years Professional Development Programme and how it can benefit them and the children in their setting.

This is a fantastic opportunity to hear from our programme content specialists as well as early years education expert Jan Dubiel, who will be giving his thoughts on how this free-to-access programme can support early years practitioners with their CPD needs. They will also have the opportunity to hear from Programme Trainers and ask any questions they may have.
