

# Wolverhampton Primary Science Conference 2024

## Summary:

Our primary conferences always provide outstanding learning opportunities linked to topical developments in primary science teaching alongside time to talk and share ideas with other primary practitioners.

## Keynote: "Improving Primary Science"

The keynote for this conference will focus on the new Education Endowment Foundation best practice research findings in "Improving Primary Science" and give you an opportunity to consider the implications for enhancing teaching, learning and children's progression in your school.

Speaker: Hydeh Fayaz (Assistant Head, St. Matthew's Research School)

## Workshops:

- Science and SEN
- Linking Maths and Science
- Planning for Progression in Enquiry
- The language of Science
- Working Scientifically
- AI in the primary classroom
- Using science to help hook young children into reading
- Purposeful Practicals
- Primary Physics

25 June 2024
