

Collecting Covid-19 History

West Berkshire Museum is collecting objects to tell the story of how Coronavirus has impacted our lives.

We are looking for the following types of objects which are associated with the pandemic to help future generations understand this moment in time:

Everyday items
that tell a story
about time in
lockdown

Home-
schooling

Games that
have kept
families
occupied

Printed
material and
items associated
with Covid-19
testing

Drawings or
banners created
in support of
key workers

PPE no
longer used
or needed

Printed
material received
from the
Government
or NHS

If you would like to donate a Covid-19 object, please get in touch with the Museum by email on collections@westberks.gov.uk or phone on 07787 828189.
