

DO YOU CARE ABOUT CLIMATE CHANGE BUT FEEL YOUR INDIVIDUAL ACTIONS ARE A WASTE OF TIME?

Join our GREENING SUN (Sulhamstead and Ufton Nervet) meeting 7pm on 16th February

The **Greening Campaign** is a Country wide initiative to encourage households to reduce their carbon footprint using some simple steps. **Greening SUN** is our local Community Group. **Together we can make a difference!**

WHAT DO WE MEAN BY "SIMPLE STEPS?"

Nothing too difficult. For example, replacing your lightbulbs with LEDs could save you £35 a year and 65 CO₂Kg. We would like your help to choose these 'steps' at our First Meeting in February, so please come if you can. **Greening SUN** is for everyone in our Community to join in with as much as they can; we understand that not everyone is an eco-warrior!

IS THAT IT?

Not quite. Following the National blueprint, the **Greening SUN Campaign** has the vision of creating a Sustainable Community moving forward. Carbon saving is the first step. Preserving and enhancing our local Environment and other important initiatives will follow.

ARE YOU FREE AT 7PM ON WEDNESDAY 16TH FEBRUARY?

The **Greening SUN Campaign** invites you to its **first Community Meeting at 7pm in Sulhamstead Village Hall** to start our **Greening** journey. We will explain more about the Campaign, answer questions and choose our initial 'simple steps' together.

Covid allowing, this will be a great opportunity to meet new people and catch up with old friends. Everyone is welcome, whether this is your first step into becoming greener or you are a past master at recycling! Please spread the word to local families, friends and neighbours. Let's start making a difference! (We want to stay safe so please bring a mask.)

If you can't wait to join the conversation, go to our facebook page **@SUN Greening campaign**
For more on the National campaign, go to the home page at www.greening-campaign.org.
It would be marvellous to tell us you are coming so please e-mail us at sungreeningcampaign@gmail.com or ring us on 07947 027 065.
Offers of help, or to join our organising team are especially welcome.
Oh, and please remember to recycle this flier after everyone has read it!
