

Get bin reminders on your mobile

Check out your upcoming bin reminders at any time

Receive push notifications on your mobile at 6pm the day before your bin collection

STEP 1

Download Scropp app

Download Scropp app from Apple App Store or Google Play Store

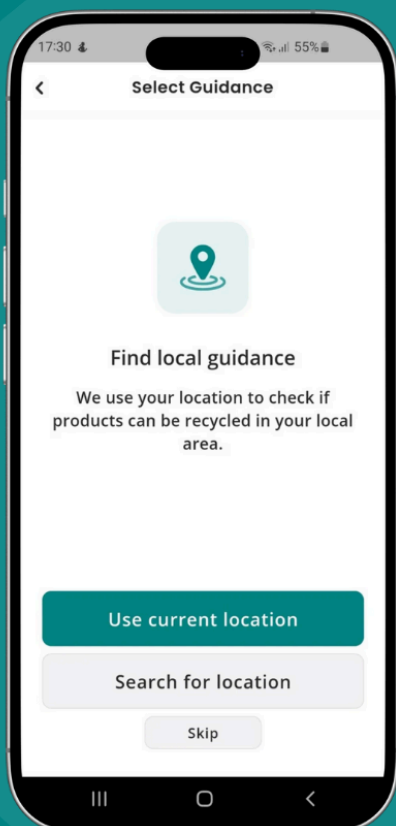

STEP 2

Select location

Open Scropp app, it should detect your location using GPS

You can also search for your address using 'Search for location' button

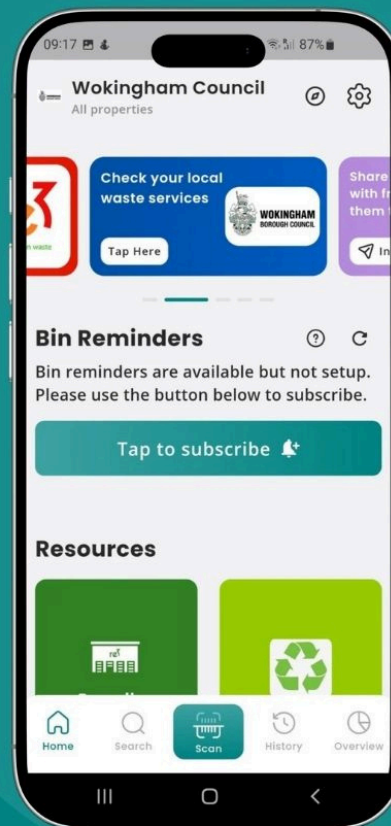

! Enable 'Notifications'

Be sure to give Scropp app the permission to send you notifications in the 'Settings' of your mobile phone

STEP 3

Subscribe to bin reminders

On the home screen, select 'Tap to Subscribe' button

! No 'Tap to Subscribe'?

1. Go to the in-app Settings on the top right hand corner
2. Tap 'Local Authority'
3. Press 'Clear Guidance' button at the bottom of the page
4. Select 'Wokingham Council' as your 'Current Guidance'

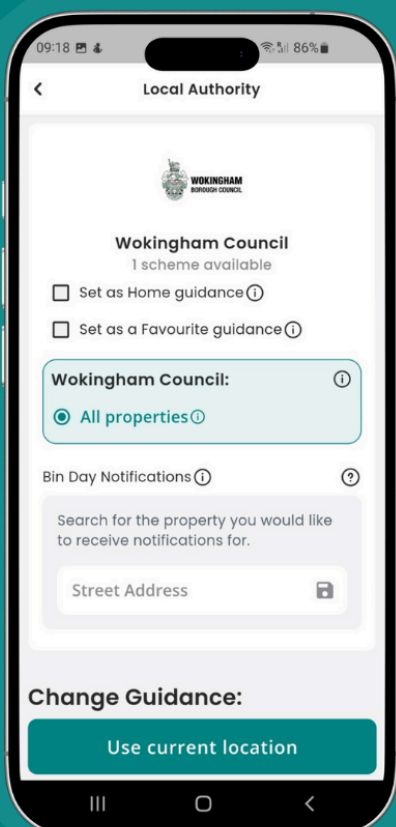

STEP 4

Search for property

Input your street address or postcode

Select your property from the dropdown list

Select Save when finished

Any questions?
