

Trauma and Resilience: Everybody's Business *Repairing the Impact of Adverse Childhood Experiences*

Beacon House Therapeutic Services in collaboration with University of Chichester, are bringing the acclaimed film 'Resilience' to West Sussex. A one-hour documentary that delves into the science of Adverse Childhood Experiences (ACEs) and the birth of a new movement to treat and prevent Toxic Stress.

Saturday 7th October 2017

University of Chichester

1pm - 4pm

£7 per ticket

(all profits go to PASCO)

We will present this ground breaking research showing the direct impact on whole communities. Facilitated by a diverse specialist panel, we will discuss what role we have as professionals in enabling repair and building resilience. The afternoon will conclude with a presentation on disarming fear and repairing adverse childhood experiences in education settings.
