## Keep Warm and Well this Winter: a new West Sussex partnership with LEAP!

Please join us this November to learn more about the new LEAP partnership in West Sussex.

- Horsham - Friday 2nd November (morning)
- Worthing - Monday 5th November (morning)

We are very pleased to announce our partnership with LEAP this winter. Eligible households will be able to benefit from a FREE Home Energy Advisor visit to their home, which provides simple energy efficiency measures, energy saving advice, help to switch energy tariffs and to identify new income and benefits.

Find out about the help available and how **you** can help refer households to **LEAP** by joining us at this event. For more details and to reserve your FREE place, register TODAY using the button below.

## **FREE Home Energy Visiting services for households in Arun and Chichester Districts.**

This service continues year round, to help out with any queries regarding home heating. The Home Energy Visitors provide guidance on reducing energy bills and help with funding for boilers and insulation for households living on low incomes or with health conditions.

Contact Jo or Emma on 01903 737862 or email [info@arunwellbeing.org.uk](mailto:info@arunwellbeing.org.uk)

## Get £140 off your energy bill.

Those who receive income related benefits could be eligible for a discount of £140 off their electricity bill. Recipients of Pension Credit receive this discount automatically, but everyone else needs to contact their electricity supplier to apply. The offer is limited, so we

encourage those who think they might be eligible to act quickly.

Those who live in park homes and pay for electricity through the site manager or as part of their pitch fees can apply for the Park Home Warm Home Discount by calling Charis Grants on 03303 801040.

# Emergency Heater Scheme

The West Sussex  
Emergency Heater

Scheme will be running again this winter. If your client has no working heating system, a plug-in oil-filled radiator can be provided as a stop-gap until their main heating system is repaired or replaced.
