#### **Courses of interest**

- Cheep, Cheep and Cheap
- Me and My Team
- Safeguarding and Child Protection

#### **Last Chance to Book**

#### **Online Course of the Week –Let's look at Maths**

### Update from the Practice Improvement

**Team:** We have been busy this week getting round to the networking events that are delivered by the EYCA's. It was great to see those of you who attended. At these sessions we highlighted the new courses that we have available which include Makaton, Paediatric First Aid and all the new Safeguarding and Child Protection courses that we have also put on for you. We also reminded you to make sure you have your accounts set up with the Learning and Development Gateway, so that you can access all the courses; as we have now moved most of them across to this system. Thank you for being patient with us while this migration is taking place. If you need help please do get in touch with us so we can support you.

If you are a Tsub member and would like safeguarding training in your setting. Please e-mail us and we can explore options for you. This will be subject to availability to the end of March 2019.

### We have new courses now available from our training provider Enable Children and the titles include;

- Cheep, Cheep and Cheap!
- The Bigger Picture (Monitoring Progress across the Setting)
- Lifelong Readers – unlocking the doors to reading
- Best for Babies
- Sound and Secure – Unpacking Early Phonics
- Getting to Know You (Observation Assessment and Next Steps)
- Now I Understand the EYFS

### We are busy putting these courses on the Gateway - if you can't find

them please email the team on:

[IPEH.Practice.Improvement@westsussex.gov.uk](mailto:IPEH.Practice.Improvement@westsussex.gov.uk)

### Me and My Team:

**Aims:** The aim of this course is to support leaders and managers in their leadership role. The course will encourage participants to reflect on their strengths and challenges of being a leader and understand how leadership styles can impact on staff. The course explores strategies to address barriers to development and change. We hope this course will inspire leaders to be the best they can be and motivate their staff team.

Cost Tsub: £0

To book a place please send us an e-mail on [IPEH.Practice.Improvement@westsussex.gov.uk](mailto:IPEH.Practice.Improvement@westsussex.gov.uk)

| Date                 | Time         | Venue         |
|----------------------|--------------|---------------|

**ONLINE COURSE: Maths: Let's look at Maths: Shape, Space and Measure**

Large or small, square or round, these are maths skills children need to develop.

**What will I learn?**

This online childcare course will give you the skills to help young children's mathematical development, focusing on shape, space and measure. It gives you advice and activities for each age group.

**Course details**

Duration: You can claim one and a half CPD hours towards your professional development. This course is certificated on completion.

**Course key topics**

- Key stages of mathematical development
- The needs of the unique child
- Using the environment
- Finding every opportunity in the setting to promote mathematical development

You will receive an email explaining how to access this course, once you have confirmation from the Practice Improvement Team

To request an online log in email:

[IPEH.practice.improvement@westsussex.gov.uk](mailto:IPEH.practice.improvement@westsussex.gov.uk) quoting the course title and your setting name.

This course costs £5 per log in and you can pay for this via

[www.westsussex.gov.uk/IP](http://www.westsussex.gov.uk/IP)
