There are still places on other dates between now and Christmas so to view these and read more about the content click on the link below

We are always keen to gather feedback on how our training has improved your practice and ultimately improved the outcome of a child or family so please take time to think about the training you have previously attended. You can send us some information on this by email to me on Lucy.Short@Westsussex.gov.uk (Please do not include any identifiable information). Thank you in advance! 😊
