

FREE Early Years Pre-SENCO Course

Are you a SENCO/ childminder in a Private, Voluntary or Independent Early Years setting with a Level 3 childcare qualification? Would you like to develop your confidence and knowledge about effective SEND provision for the children in your care?

We have an amazing opportunity for you! Our FREE Early Years Pre-SENCO Course covers:

The legislation for SEND, inclusion and the 4 broad areas of need, the importance of early intervention, the graduated approach, using a variety of observation techniques, listening to the voice of the child, the role of the SENCO in supporting other practitioners, creating effective parent partnerships and working with outside agencies.

What you need to know:

This year, an online pre-SENCO course has been developed for any Early Years SENCOs from our selected Local Authorities who are interested in completing the accredited award later this year.

The pre-SENCO course is a foundation course for the SENCO Award and offers six hours of stand-alone CPD.

The training comprises three live webinars on a choice of dates. Attendees will receive a certificate once they have attended all sessions.

Dates and times of available sessions:
