## Ready, Willing and Able: children as confident, capable thinkers and learners

In this course we will consider ways to support the development of young children to become confident, capable, thinkers and learners, through;

- Considering what we mean by these terms.
- Fostering the Characteristics of Effective Teaching and Learning.
- Providing positive relationships and enabling environments that offer opportunities for children to be independent, make choices and develop their skills in expressing their own thoughts and views.

## A Look at Dynamic Displays

This is a 90-minute webinar for all practitioners working with children aged 3+. This informative taster webinar contains some fascinating and thought-provoking insights and case studies which highlight best practice regarding the potential value and function of displays in the learning environment.

Content will be in accordance with revised EYFS (2021) and affirm and/or challenge participants' understanding that an effective display involves children in every stage of its creation, continuation, and dismantling. Adopting a dynamic and invigorated approach to displays can powerfully capture and cultivate children's interests and achievements.

## Babies - Books, Baskets and Bonding

This practical and engaging taster webinar considers how to foster a love of books for babies and toddlers and the impact this has on positive later learning outcomes. Secondly, the benefits, practicalities, and role of the adult in creating and using treasure baskets through providing low cost, stimulating sensory experiences, interesting natural objects and everyday items will also be explored. The key priority of bonded relationships with babies is a vital thread of this course. Application will result in an enhanced learning environment, positively impacting the learning and development of babies.

### Loose parts play

Do you want to create awe and wonder in your setting? A ‘loose part’ is an everyday object which children can use and combine with other loose parts to create open-ended, imaginative, and creative play ideas. Loose parts play can improve creativity, boost social skills, and progress problem-solving abilities. In this taster webinar you’ll learn how to introduce quality loose parts play into your setting.
