

**Return Reuse Recycle**

# Have you got crutches, walking sticks or frames at home you no longer need?

During Recycle Week (19 to 25 September) you can return items for reuse or recycling at your nearest Recycling Centre.

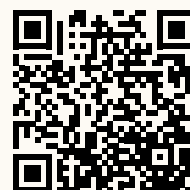

Items will be checked and cleaned, ready to be used again by others in the future. Any items which cannot be used again will be recycled.

Walking aids can be left with staff at the Recycling Centre gate or

deposited in the dedicated bin on site. If you are entering a site and bringing other waste with you, please note you may need to pre-book a slot, if required.

To find your nearest site visit:

**[westsussex.gov.uk/  
find-my-nearest/  
recycling-centre](https://westsussex.gov.uk/find-my-nearest/recycling-centre)**  
or scan the QR code.

Recycling Centres will only be able to accept walking aids during Recycle Week. To return items at all other times, phone NRS on **0345 127 2931** or email **[enquiries@westsussex.nrs-uk.net](mailto:enquiries@westsussex.nrs-uk.net)**
