Dear Colleague

Re. Department for Education Early Years Census 2024

As you may be aware, the annual Department for Education (DfE) Early Years Census return is due this term. The Online Provider Portal (OPP) is now open for you to complete your Census form between 2-26 January 2024 and Census day is Thursday 18 January 2024.

The Census information is used to help monitor use of Government funding and to support implementation and development of policy. It also determines the amount of funding the Local Authority receives. The Government will only allocate Free Entitlement (FE) funding to the Local Authority based on the information on the Census. It is therefore essential that you complete all sections of the Census form to ensure sufficient funding levels are allocated by the Government and all eligible children can claim their FE. **If insufficient funds are received, we will be unable to guarantee meeting all FE claims from settings.** This will result in some children missing out on their FE.

To submit your Census information, firstly please go to our webpage www.westsussex.gov.uk/ecsportal, and click on the "Annual Early Years Census" tile under the "Other Tasks" section. You will be able to view the Census 'How to' video and help guide. Once you are ready to complete your Census form, please log on to the [Online Provider Portal](#).

The online Census form comprises of 4 pages, some of the fields will be pre-populated from the information you submitted in last year's Census. You are required to check all answers and update/complete where necessary. A list of the staff qualification questions you will be asked is on the next page. Please ensure you complete all questions accurately. We recommend that you print your completed Census form so that you can keep a copy for your own records.

It is important you adhere to the submission deadline which is close of business **26 January 2024**. **Future payments may be at risk if we do not receive your Census return on time.**

If you have any questions or require assistance, please do not hesitate to contact the Family Information Service on 01243 777807 and ask for the Specialist Team, or e-mail free.entitlement@westsussex.gov.uk

Yours sincerely
