## BECOME AN INSPIRING EARLY YEARS TEACHER AT SUSSEX

Our award-winning Early Years Education MA with EYTS offers a fully-funded Masters and Early Years Teacher Status in just one year. With a compelling mix of teaching practice, critical reflection and research opportunities, this course gives graduates access to:

- inspirational, award-winning tutors with a wealth of professional experience and outstanding research expertise.
- long-standing partnerships with local primary schools and nurseries offering a range of placement opportunities.
- career routes to high level and leadership roles in the Early Years field.

And the best bit? Course fees are paid by the Department for Education, so it is free to students.

### Graduate Route students

We arrange your placements and you receive a bursary to help with living costs (£2-5,000 depending on your degree).

### Employment Route students

Your employer receives £7,000 to help with supply costs while you're at university.
