

Making Every Contact Count (MECC): Vaccinations

Would you like to:

- ✓ Gain confidence discussing vaccinations?
- ✓ Discover tools for structuring effective conversations?
- ✓ Understand vaccines and their impact on individuals and communities?
- ✓ Learn key vaccination messages across life stages?
- ✓ Know where to direct people to have vaccinations?

If so, join our **new training workshops** that explore how **Making Every Contact Count (MECC)** can help you promote meaningful conversations and support **vaccination uptake**.

Aim of the Workshop

To enable participants to use an **evidence-based behaviour-change approach** when having conversations about vaccination and immunisation.

This training will be delivered **face-to-face or online** and is open to **anyone working with the public in West Sussex**.

What You'll Gain

By attending, you will:

- Understand what MECC is and its key principles
- Explore how conversations relating to vaccinations can fit into your role
- Develop skills to use *healthy conversation techniques* and promote support services
- Become confident in having MECC-style conversations about health and vaccination
