

Resources to support childhood vaccination from Public Health

A range of new free of charge assets are available to order, download and give to parents or pregnant individuals to help explain and support the new routine schedule and the vaccinations.

- WSCC Childhood vaccination campaign page: [Childhood Immunisations - West Sussex County Council](#)
- Childhood immunisation campaign postcard: [Childhood vaccinations postcard - Department of Health and Social Care](#)
- The new 18 months appointment: [A guide to vaccinations for children aged 18 months - GOV.UK](#)
- MMR vaccine changes information leaflet: [MMR for all, general leaflet - GOV.UK](#)
- Vaccination guide for premature babies: [A guide to vaccinations for premature babies - Public Health](#)
- A guide to pre-school vaccinations: [A guide to pre-school vaccination - Public Health](#)
- A selection of stickers available to order: [Immunisation stickers bear design - Public Health](#)
- Maternity postcard: [Maternal vaccinations \(RSV, pertussis and flu\) postcard - Department of Health and Social Care](#)
- Maternal Vaccination Assets: [Maternal Vaccine Assets - Google Drive](#)
- Information about the flu jab in pregnancy: [NHS](#)
- Flu vaccination for children: [Leaflets and posters - GOV.UK](#)
- The Children's Health Record book, known as the **Red Book** is currently being updated to reflect the new schedule. Until the new books are released, and parents have the new versions, please order and use the newly created vaccine record inserts to replace the pages in the existing books.
