

WEEKLY ONLINE DROP-IN SAFEGUARDING SESSIONS

These online weekly drop-in sessions are for practitioners across **all** organisations to attend.

Sessions are designed to:

- ✓ Maintain communication and connection among professionals across West Sussex
- ✓ Support continuous professional development through sharing insights, discussing challenges and identifying solutions.
- ✓ Enhance practice quality by exchanging good practice examples, reviewing policies, and applying new guidance.
- ✓ Promote wellbeing and morale, creating a safe space for multi-agency reflection
- ✓ Disseminate learning quickly and directly to frontline staff and widen engagement in learning from reviews.

Sessions will include:

- Sharing key findings and lessons from Local Child Safeguarding Practice Reviews and rapid reviews.
- Discussing insights from multi-and single-agency audits.
- Case studies from local services including early years, schools and the voluntary and community sector.
- Collaborative problem-solving and practical application of lessons.
- Opportunities to shape and feedback on key developments.
