• FAQ:

- Page 1: For this reason, and as a matter of administrative convenience in light of the emergency nature of this program, a State, territorial, local, or Tribal government may presume that payroll costs for public health and public safety employees are payments for services substantially dedicated to mitigating or responding to the COVID-19 public health emergency
- Page 9: As a matter of administrative convenience, the entire payroll cost of an employee whose time is substantially dedicated to mitigating or responding to the COVID-19 public health emergency is eligible, provided that such payroll costs are incurred by December 30, 2020.

- Arizona: The State is transferring a portion of the CARES funding to cities and towns to cover public safety payroll expenses.
 - Cities and towns can reallocate public safety payroll in the general fund.
