MEMORANDUM FOR COMMAND TEAMS AND SHARP PROFESSIONALS

SUBJECT: Sexual Assault Awareness and Prevention Month – April 2024

1. The Army's 2024 Sexual Assault Awareness and Prevention Month (SAAPM) theme is "Change Through Unity: Empower. Protect. Prevent." This theme emphasizes unity in the fight against sexual assault; promotion of respect and empowerment for all; and the role of Army Team members in creating healthy climates while reinforcing their responsibility to act to prevent sexual assault and sexual harassment.
2. In the coming weeks and months, the Directorate of Prevention, Resilience and Readiness Communications and Outreach Division will distribute SAAPM planning guidance and awareness materials for your use in planning local SAAPM events. We'll also ask that you send us information on what you and your command teams have scheduled at your installations.
3. Thanks for all you do in support of the sexual assault prevention and response missions, and we look forward to hearing about the awareness activities you have planned for SAAPM.
