NRCS Recent Graduate Positions Opening October 21st (open for 15 days)

- **NRCS will post various Pathways Recent Graduate positions throughout the U.S. These are full-time, entry-level jobs targeting Seniors graduating this December or those who graduated in the past two years. These opportunities will focus on the same majors (Agriculture, Natural Resources, Environmental Science, Related Sciences, and Engineering).**
 - **Seniors that are graduating within 120 days of the Oct. 21st date are eligible to apply as well as those who graduated within the past two years.**
 - **Here is a link that will take you to USAjobs.gov with the filters set for Recent Graduate Opportunities at NRCS. Note that zero results will display until they are posted:**
