Dear Friends and Neighbors:

I am pleased to announce the final decision on the Soldiers Pass Motorized Use Project.

The final decision is located on the project webpage:

<https://www.fs.usda.gov/project/?project=38555>. Please click on the "Decision" tab to access the signed decision document."

The analysis of this project has been years in the making. The project involved a diverse and passionate array of people from residents to visitors, municipalities and motorized and non-motorized interests, all of whom cherish their national forest.

The decision seeks to find a balance between managing the impacts of open public motorized use on Soldiers Pass with a recognition of the unique and valued opportunity this trail represents to motorized users.

Implementation of this decision may begin immediately.

If you have questions about this decision or would like additional information please contact Julie Rowe at jrowe@fs.fed.us or 928-203-7516.

Thank you for your interest in the management of the Coconino National Forest.

Sincerely,

LAURA JO WEST
Forest Supervisor
