Dividing Perennials

Tuesday, September 10, 2019

4:30-6:00 PM

DSU Outreach and Research Center
884 Smyrna-Leipsic Rd.
Smyrna, DE 19977
FREE

Kate Ruffer
Kent County Master Gardener

Dividing hostas, daylilies, irises, and other perennial plants in the fall helps to rejuvenate plants as well as propagate them. Workshop includes a demonstration and hands-on activity. Please bring your work gloves. In addition, hand cultivators, spading forks, old paintbrushes, old steak knives and dinner forks are useful. Bring a container to take some plants home.

Understanding Your Soil Test Results

Friday, October 18, 2019

1:00-3:00 PM

UD Paradee Center
FREE

Steve DeCarlo
Kent County Master Gardener

Have you had your soil tested yet? Testing your soil gives you important information to help improve growing conditions in your yard and garden. Pick up your \$15 soil test kit now at Paradee Center and bring your test results to this workshop for advice. Already had your soil tested but have questions? We can help! Bring a copy of your report to learn what your soil needs to be ready for next Spring.

Pruning Crape Myrtle

Saturday, November 9, 2019

1:00-2:30 PM

DSU Outreach and Research Center
884 Smyrna-Leipsic Rd.
Smyrna, DE 19977
FREE

Beth Peterson
Kent County Master Gardener

This hands-on workshop will begin with a presentation discussing the Crape Myrtle: its origins, how to choose the variety that would fit best in your landscape, and how to plant and prune. Following the presentation, we will go outside to the Crape Myrtles, review what we learned, decide what shape would be best for each tree, and go about pruning them. Please bring work gloves and your own pruners.

Thanksgiving Cornucopia

Tuesday, November 26, 2019

10:00 AM-12:00 PM

UD Paradee Center
Limited to 15 Participants
\$15 fee per participant

Wendy Aycoth
Kent County Master Gardener

Design a Thanksgiving cornucopia, or you may create a centerpiece in a green design bowl or a small bowl of your choice. Provide your own fall accessories such as pumpkins on picks, corn, small fruits and vegetables, small pine cones, wheat, cattails, etc. If your cornucopia is made of a basket material, bring a small bowl to fit inside to hold wet Oasis. In addition to your bowl or cornucopia, bring a pair of shears and a block or cylinder of green floral Oasis for fresh flower designs. Flowers and greenery will be provided.
