On May 31st and June 15th, the Rural Utilities Service (RUS) will host webinars focused on the Distance Learning and Telemedicine (DLT) Grant Program. These webinars will inform participants about the major eligibility and regulatory requirements of the program and will provide detailed guidance on how to submit a successful grant application. There will also be time for participants to ask the speakers specific questions about putting together an application.

Contact us soon to ensure you can attend the workshop that works best for your schedule!

Web Conference Information

Due to the limited amount of room available for each session, you must register with the RUS Loan Origination and Approval Division. Please register by visiting <https://livemeeting.com/register> and selecting the session you wish to attend. Register soon to ensure your spot in the session you want to participate in.
