April 5th from 1:00 to 2:00 pm EDT
April 10th from 1:00 to 2:00 pm EDT

The USDA will host webinars focused on the Community Connect Grant Program. These webinars will inform participants about the major eligibility and regulatory requirements of the program and will provide detailed guidance on how to submit a successful application. There will also be time for participants to ask the speakers specific questions about putting together an application.

On March 15th, the Community Connect Grant Program's Notice of Solicitation of Applications (NOSA) was published in the Federal Register. A copy can be found here.

You can register for the April 5th session here and the April 10th session here. We recommend you do this registration early and run a system check to ensure quick access on the day of the webinar.
