Distance Learning and Telemedicine Grant Program- Traditional Fiscal Year 2019 Webinars

March 12th from 2:00 to 3:00 pm EDT

March 21st from 10:00 to 11:00 am EDT

The Rural Utilities Service (RUS) will host webinars focused on the Distance Learning and Telemedicine (DLT) Grant Program. These webinars will inform participants about the major eligibility and regulatory requirements of the program and will provide detailed guidance on how to submit a successful application. There will also be time for participants to ask the speakers specific questions about putting together an application. This is for the “Traditional” DLT Program, which is a separate application from the “Opioid” DLT which is also open.

You can register for the March 12th session [here](#) and the March 21st session [here](#). We recommend you do this registration early and run a system check to ensure quick access on the day of the webinar.
