

Technical Assistance Webinar for ReConnect Program

About the ReConnect Program

The ReConnect Program offers loans, grants, and loan/grant combinations to facilitate broadband deployment in areas of rural America without sufficient access to broadband.

- The awards made under this program will bring high-speed broadband to rural areas that lack sufficient access to broadband.
- The delivery of broadband connection and high-quality service will enable technologies critical to rural communities, such as precision agriculture.
- The pilot program will fuel long-term economic development and opportunities in rural America.

Stakeholder Outreach

USDA Rural Development will host a series of informational webinars and workshops to provide more information on the ReConnect Program. Please visit <https://www.usda.gov/reconnect/events> for up-to-date information on these events.

Informational Webinar Scheduled for April 2019

This webinar will provide an overview of the ReConnect application portal for the ReConnect Program. USDA Rural Development staff will discuss requirements such as engineering, financial, and environmental. If you are unable to join live, the webinar will be recorded and made available online for later viewing.

The webinar will be held on:

Friday, April 26 @ 1:00 pm ET – Introduction to the ReConnect Application Portal
