

Technical Assistance Webinars for the ReConnect Program

About the ReConnect Program

The ReConnect Program offers loans, grants, and loan/grant combinations to facilitate broadband deployment in areas of rural America without sufficient access to broadband.

- The awards made under this program will bring high-speed broadband to rural areas that lack sufficient access to broadband.
- The delivery of broadband connection and high-quality service will enable technologies critical to rural communities, such as precision agriculture.
- The pilot program will fuel long-term economic development and opportunities in rural America.

Stakeholder Outreach

USDA Rural Development will host a series of webinars to provide more information on the ReConnect Program. Please visit <https://www.usda.gov/reconnect/events> for up-to-date information on these events.

Upcoming Informational Webinars

USDA Rural Development staff will host three webinars over the next two weeks to discuss the financial, mapping, and environmental components of the application process for the ReConnect Program. The webinars will be held on:
