Rural Development is here, always open and ready to serve!

The Single Family Housing Guaranteed Loan Program (SFHGLP) creates incredible opportunities for homeownership with our zero down loan program and we continue to strive in our efforts to improve.

The Agency's GovDelivery notices are the best way to stay up to date with all changes, and if you feel your team could benefit from further training, the Lender and Partner Activities branch is here to offer that!

We are excited to support our lending partners, and personalized team trainings are a great way to do this. Although our live training events are on pause, you can always reach out to sfhqld.lenderpartner@usda.gov with any training requests.

If you are not currently receiving our GovDelivery notices, you can sign up on the [LINC Training and Resource Library page](#), just scroll down to where it says "Receive email updates" (illustrated below).

If you have questions regarding Servicing, Scenarios, Recertification, or specific files, you can find all contacts listed under the "[View Contact Information](#)" button on the [LINC Training and Resource Library](#), our teams are here to assist you in successfully administering the Single-Family Housing Guaranteed Loan program. Thank you for your partnership!

GovDelivery Updates
