Section 232 General Approved Exclusions: Please refer to CSMS #52834487

Notes:

European Union countries are:

Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, and Sweden.

¹To qualify for Tariff-Rate Quota, steel must be melted and poured in the same country. Duties apply if melt and pour requirements are not met.

²Except Australia, Canada, and Mexico, and Ukraine through June 1, 2024.

³Except Argentina, Australia, Brazil, Canada, the EU, Japan, Mexico, South Korea, and the UK, and Ukraine through June 1, 2024.

⁴Except Australia, Canada, and Mexico. For Russia, see separate Russia requirements.

⁵Except Argentina, Australia, Canada, the EU, Mexico, and the UK. For Russia, see separate Russia requirements.

^{5a}Iron or steel products of the EU melted and poured in Ukraine accompanied by a certificate of origin.

⁶Iron or steel products of Ukraine not accompanied by a certificate of origin.

⁷Iron or steel derivative products of Ukraine not accompanied by a certificate of origin.

⁸Certain EU countries incorporating steel melted and poured in UK should use 99038181.
