- Space weather:
 - Past 24 hours: None observed
 - Next 24 hours: None predicted

Earthquake Activity: No significant activity

Declaration Activity: Major Disaster Declaration approved for MI

Train Derailment – Pennsylvania

FEMA

Situation

On August 2, 32 cars of a 182 car CSX train derailed in Hyndman borough, PA (Bedford County) (pop. 875), 75 miles southeast of Pittsburgh, PA. 16 cars contained either liquid propane gas, phosphoric acid residue, molten sulfur, or elevated temperature asphalt; multiple rail cars continue to burn.

Impacts

- No fatalities or injuries
- 1 mile evacuation zone - 1,056 people evacuated; shelter closed; ARC and CSX arranged hotel lodging for evacuees
- Amtrak's Capitol Limited service suspended (DC to Pittsburgh)
- Temporary flight restrictions remain up to 5,000 feet and 3 miles wide
- All roads entering the borough closed to non-emergency response vehicles

State/Local Response

- PA EOC at Partial Activation
- Keystone IMT, PA IMT, County EMC, and CSX HAZMAT teams are on-scene

Federal Response

- Interagency Modeling and Atmospheric Assessment Center (IMAAC) completed all modelling requirements and has de-activated
- FEMA Region III RWC at Steady State; LNOs deployed to PA EOC
- FEMA NWC remains at Steady State

Tropical Outlook – Atlantic

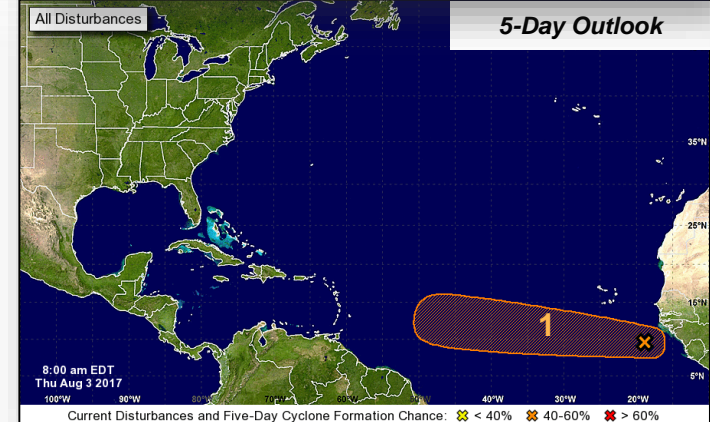

FEMA

Disturbance 1 (as of 8:00 a.m. EDT)

- Located near the west coast of Africa
- Forecast to move W or WNW at 10-15 mph
- Conditions forecast to be conducive for gradual development; tropical depression could form by early next week
- Formation chance through 48 hours: Low (30%)
- Formation chance through 5 days: Medium (60%)

Current advisories and forecasts indicate no threats to the U.S.

Tropical Outlook – Eastern Pacific

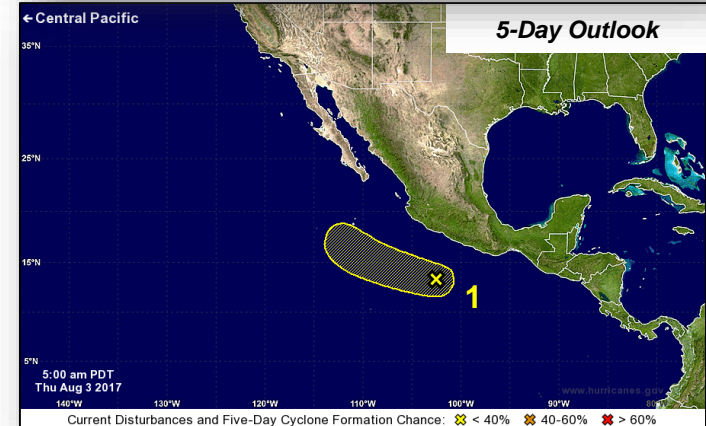

FEMA

Disturbance 1 (as of 8:00 a.m. EDT)

- Located a few hundred miles SSW of Acapulco, Mexico
- Moving WNW at 15 mph
- Conditions forecast to become unfavorable for development by the weekend
- Formation chance through 48 hours: Low (20%)
- Formation chance through 5 days: Low (20%)

Current advisories and forecasts indicate no threats to the U.S.
