Hurricane Preparedness Week (May 5-11, 2019)

Tuesday, May 7 – Assemble Disaster Supplies

Hurricane Preparedness Week is your time to prepare for a potential land-falling tropical storm or hurricane:

- You're going to need supplies not just to get through the storm but for the potentially lengthy and unpleasant aftermath
- Have enough non-perishable food, water and medicine to last each person in your family a minimum of three days - electricity and water could be out for at least that long
- You'll need extra cash, a battery-powered radio and flashlights
- Many of us have cell phones, and they all run on batteries – You're going to need a portable crank or solar powered USB charger
