

FEMA REGION II CERT WEBINARS

Please join the FEMA Region II National Preparedness Division for the following webinars to help support you during times of response.

Trauma-Informed Management of People in Crisis

- Discuss what “trauma” is from a psychological standpoint, and how crises effect individuals. Attendees will learn how to recognize signs of stress in coworkers, the general public and themselves; also learn how to develop approaches to better address managing people in crisis.

Psychological First Aid for CERT

Thursday, March 26, 6:00-7:30pm

- Take a deep dive into learning strategies to address psychological stress within yourself, coworkers, or general public. This will help you deal with the communities you serve during response.
