

Coronavirus Pandemic

Whole-of-America Response

Medical Supplies and Equipment

- As of **July 24**, FEMA, HHS, and the private sector coordinated delivery of or are currently shipping: **189.9** million N95 respirators, **784.8** million surgical masks, **33.1** million face shields, **341.5** million surgical gowns/coveralls and over **20.0** billion gloves.
- As of **July 25**, FEMA delivered **30,247** medical supplies to nursing homes to 52 states and territories.
 - [FEMA coordinated two shipments](#) totaling a 14-day supply of personal protective equipment to all 15,400 Medicaid and Medicare-certified nursing home.
 - Shipments are meant to supplement existing efforts to provide equipment to nursing homes.
 - Completed final shipments in second wave of deliveries expected by July 21.
- In support of the U.S. Department of Veterans Affairs, FEMA coordinated shipments of more than **8.1** million N95 respirator masks, **500,000** surgical masks, more than **3.3** million gloves, **595,360** face shields and **30,000** surgical gowns to facilities across the country.
- As of **July 24**, the federal government has approximately **654,851** total ventilators available in the Strategic National Stockpile.
- To date, FEMA, HHS, and the Department of Homeland Security (DHS) Cybersecurity Infrastructure and Security Agency (CISA), along with other federal agencies, processed and distributed nearly **350** million cloth face coverings
 - Nearly **150** million of those went to critical infrastructure workers, others went to State, Tribal, Territorial, Voluntary Organizations Active in Disasters (VOAD) partners/stakeholders and other government partners.

Testing

- As of **July 25**, CDC, state, local public health labs and other laboratories have tested more than **53.7** million samples.
 - As of **July 24**, the FDA issued **188** individual [emergency use authorizations](#) for test kit manufacturers and laboratories, including **31** antibody tests and **two** antigen tests.
- To support the Administration's [Testing Blueprint](#), FEMA sources and procures testing material – specifically, testing swabs and transport media.
 - As of **July 25**, FEMA procured and delivered more than **41.7** million swabs and **32.8** million units of media.
 - FEMA will provide FEMA-sourced material to states, territories and tribes for a limited duration to help increase testing capacity in support of their individualized plans.

- As of **July 26**, **392,264** samples were collected at federally supported [Community-Based Testing Sites](#) and **1.2 million** samples were processed at public-private partnership testing sites.
 - Out of 41 original Community-Based Testing Sites, **4** will continue to operate as federally supported sites, **25** have transitioned to state management, and **12** have closed in consultation with the states.
 - HHS has established a public-private partnership with pharmacy and retail companies to accelerate testing. To find locations, visit the COVID-19 Community-Based Testing Site page.
 - As of July 26, under the CBTS public-private partnership, there are currently **707** live sites in 48 states and Washington, D.C. conducting testing.

Federal Funding

- As of **July 24**, FEMA and HHS (combined) obligated **\$135.9** billion in support of COVID-19 efforts.
- As of **July 23**, all 50 states, five territories, the Seminole Tribe of Florida and Washington, D.C. were approved for major disaster declarations to assist with additional needs identified.
 - As of July 7, there are **86** tribes working directly with FEMA. One tribe, the Seminole Tribe of Florida (STOF) is, a direct recipient with a major disaster and an emergency declaration, **42** tribes that are direct recipients with emergency declarations and **43** tribes that are recipients under state declarations.
 - A tribal government may choose to be a subrecipient under a state that has chosen to be a recipient of FEMA assistance, or choose to be a direct recipient of FEMA.
- As of **July 24**, FEMA obligated **\$8.7** billion in support of COVID-19 efforts. This support includes:
 - Emergency Food and Shelter: \$200 million
 - Temporary Medical Facilities including medical personnel, mortuary and ambulance services: \$2.3 billion
 - PPE including medical supplies and pharmaceuticals: **\$2.8** billion
 - National Guard: \$1.7 billion
