

Coronavirus Pandemic

Whole-of-America Response

Medical Supplies and Equipment

- As of **July 31**, FEMA, HHS, and the private sector coordinated delivery of or are currently shipping: **203.3** million N95 respirators, **855.9** million surgical masks, **36.2** million face shields, **364.7** million surgical gowns/coveralls and over **21.5** billion gloves.
- As of **Aug. 4**, FEMA delivered **30,458** medical supplies to nursing homes to 52 states and territories. One hundred percent of scheduled shipments have been made.
 - [FEMA coordinated two shipments](#) totaling a 14-day supply of personal protective equipment to all 15,400 Medicaid and Medicare-certified nursing homes.
 - Shipments are meant to supplement existing efforts to provide equipment to nursing homes.
- In support of the U.S. Department of Veterans Affairs, FEMA coordinated shipments of more than **8.1** million N95 respirator masks, **500,000** surgical masks, more than **3.3** million gloves, **595,360** face shields and **30,000** surgical gowns to facilities across the country.
- As of **Aug. 6**, the federal government has approximately **85,332** total ventilators available in the Strategic National Stockpile.
- To date, FEMA, HHS, and the Department of Homeland Security (DHS) Cybersecurity Infrastructure and Security Agency (CISA), along with other federal agencies, processed and distributed nearly **350** million cloth face coverings
 - Nearly **150** million of those went to critical infrastructure workers, others went to State, Tribal, Territorial, Voluntary Organizations Active in Disasters (VOAD) partners/stakeholders and other government partners.

Testing

- As of **Aug. 6** CDC, state, local public health labs and other laboratories have tested more than **64.9** million samples.
 - As of **Aug. 6**, the FDA issued **204** individual [emergency use authorizations](#) for test kit manufacturers and laboratories, including **35** antibody tests and **two** antigen tests.
- To support the Administration's [Testing Blueprint](#), FEMA sources and procures testing material – specifically, testing swabs and transport media.
 - As of **Aug. 3**, FEMA procured and delivered more than **41.9** million swabs and **32.9** million units of media.
 - FEMA will provide FEMA-sourced material to states, territories and tribes for a limited duration to help increase testing capacity in support of their individualized plans.
- As of July 31, all 41 original Community-Based Testing Sites have transitioned to state management (**29**) or have closed (**12**) in consultation with the states.

- As of **Aug. 4**, **398,300** samples were collected at federally supported [Community-Based Testing Sites](#).
- HHS has established a public-private partnership with pharmacy and retail companies to accelerate testing.
 - As of Aug. 5, under the CBTS public-private partnership, there are currently **756** live sites in 48 states and Washington, D.C. conducting testing.
 - **1.9 million** samples were processed at public-private partnership testing sites.

Federal Funding

- As of **July 31**, FEMA and HHS (combined) obligated **\$152.5** billion in support of COVID-19 efforts.
- As of **Aug. 3**, all 50 states, five territories, the Seminole Tribe of Florida and Washington, D.C. were approved for major disaster declarations to assist with additional needs identified.
 - As of Aug. 3, there are **88** tribes working directly with FEMA. One tribe, the Seminole Tribe of Florida (STOF) is, a direct recipient with a major disaster and an emergency declaration, **44** tribes that are direct recipients with emergency declarations and **44** tribes that are recipients under state declarations.
 - A tribal government may choose to be a subrecipient under a state that has chosen to be a recipient of FEMA assistance, or choose to be a direct recipient of FEMA.
- As of **July 31**, FEMA obligated **\$8.8** billion in support of COVID-19 efforts. This support includes:
 - Emergency Food and Shelter: \$200 million
 - Temporary Medical Facilities including medical personnel, mortuary and ambulance services: \$2.3 billion
 - PPE including medical supplies and pharmaceuticals: \$2.8 billion
 - National Guard: \$1.7 billion
 - Public Assistance Emergency Protective Measures (Non-PPE): \$1.5 billion
 - Commodities: \$27.3 million
 - Crisis Counseling: \$58.8 million

Additional Federal Support

- As of **Aug. 7**, FEMA has **2,091** employees supporting COVID-19 pandemic response out of a total **20,831** agency employees ready to respond to other emergencies should they occur.
- To date, the President has approved **50** National Guard requests for federal support for the use of National Guard personnel in a Title 32 duty status through **August 21**.
 - As of Aug. 6, **21,145** National Guard troops have activated in T-32 duty status and **285** troops have activated in State Active Duty status to help with testing and other response efforts.
- As of **Aug. 6**, **6,395** CDC personnel supporting the outbreak response.
- As of **Aug. 6**, HHS has **453** personnel supporting the outbreak response.
- As of **Aug. 7**, **98** agencies across **29** states, the District of Columbia, three tribes and **one** U.S. territory have used FEMA's Integrated Public Alert and Warning System (IPAWS) to send a total of **379** alerts containing information on COVID-19 to cell phones and other wireless devices via the Wireless Emergency Alert system, and **84** alerts to radios/televisions via Emergency Alert System.
