FEMA ICS FORM 202 INCIDENT OBJECTIVES		1. FEMA Disaster Number: FEMA-4558-DR	2. Date/Time Prepared: 09/11/2020 1000 PDT
4. Operational Period: 09/12/2020 0700 PDT to 09/13/2020 0700 PDT			
5. General objectives for the Incident:			
Objective Number	Description		
	PRIORITIES		
	Support lifesaving operations, including firefighting response in a COVID-19 environment		
	Support evacuations, sheltering, and critical care of high-risk populations consistent with COVID-19 sheltering guidance		
	Coordinate information sharing between agencies		
	Ensure safety and continuity of operations for first responders, government operations, and other essential services		
	Ensure timely, accurate, and accessible coordinated public messaging		
	Support integration of federal response and recovery resources and programs in the designated counties		
	OBJECTIVES		
1 b.	Protect life, property, and maintain the environmental and historical preservation of the impacted areas through Fire/Rescue, Law Enforcement, state, and other federal resources.		
11 a.	Sustain health and safety including medical screening and peer support for personnel and visitors at operational facilities throughout the duration of the incident.		
6 b.	Execute coordinated and accessible messaging to the public, internal, and external partners to assist response and recovery operations in impacted counties.		
15 a.	Provide mobile registration services to survivors in non-congregate shelters.		
16.	Resource and sustain approved individual assistance programs.		
4 b.	Provide resources to sustain shelter operations consistent with COVID-19 guidance.		
12 d.	Sustain Local Assistance Centers (LACs)/Mobile Registration Intake Center (MRIC) as needed to support designated counties.		
14.	Provide Small Business Administration services to survivors through virtual Business Recovery Centers (BRCs) and virtual Disaster Loan Outreach Centers (DLOCs).		
7 a.	Identify and address any unmet access and functional needs.		
8 a.	Identify, assess, and support critical infrastructure restoration in impacted counties.		
9 b.	Identify and address any unmet needs with tribal communities.		
17.	Remove Household and Hazardous Waste (HHW) debris in designated counties.		
6. Weather Forecast for Period (Only if significant to Operations)			
Friday-Thursday • Areas of thick wildfire smoke will continue to blanket portions of the state through the weekend, most prevalent across the northern half of California through tonight • Poor air quality and visibility will result • Fire weather conditions will also remain elevated into the weekend due to low humidity and very dry vegetation but winds will be light • Temperatures gradually warming through early next week • Moderate heat impacts for portions of Southern and Inland regions Sunday through Wednesday where triple-digit temperatures are expected • Dry conditions expected through the weekend, but some light rain is possible across northern California the first half of next week			
7. General/Safety Message			
**Maintain social distancing of 6-feet or greater, including around tables, teleconference areas, and work areas. **Immediately report to your supervisor if you feel ill. **Be familiar with the building emergency plans, evacuation routes, shelter-in-place plans, and AED. **Review, understand, and comply with the Health and Safety Plan specific to the COVID-19 incident including the Cal OES updated Face Covering Policy (dated 06/28/20) that requires face coverings. **Control all trip and safety hazards by marking it with visible warnings or barriers. **Critical Incident stress during these uncertain times can affect anyone at any time. Peer counselors are available as a resource 24 hours a day @ (833) 928-2396 or CovidPeerSupport@SOC.CalOES.ca.gov. **Ensure good communication and accountability plans are established and followed by all staff.

SAFETY MESSAGE/PLAN (ICS 208)

1. Incident Name: 2020 July/August Statewide Fires	2. Operational Period: Date From: 09/12/2020 Date To: 09/13/2020 Time From: 0700 PDT Time To: 0700 PDT
--	--

3. Safety Message/Expanded Safety Message, Safety Plan, Site Safety Plan:

Heat Stress and Fatigue: Be alert for cumulative effects of fatigue and take breaks as necessary. Effects include slower reactions, lack of attention and forgetfulness. Dehydration contributes to fatigue. As fatigue increases, injuries tend to increase also. **Stay Hydrated!**

The California Department of Public Health (CDPH) released new guidance on **June 18, 2020** that mandates the use of cloth face coverings by the general public statewide when outside the home, with limited exceptions.

In an effort to limit further exposure, **if you are feeling ill, do not report to work.** Contact your supervisor and follow the information below to report your signs and symptoms.

In general, every person in California must wear a face covering when:

- Inside of, or in line to enter, any indoor public space;
- Obtaining services from the healthcare sector in settings including, but not limited to, a hospital, pharmacy, medical clinic, laboratory, physician or dental office, veterinary clinic, or blood bank; and
- Waiting for or riding on public transportation or paratransit or while in a taxi, private car service, or ride-sharing vehicle.
- Engaged in work, whether at the workplace or performing work off-site, when:
 - Interacting in-person with any member of the public;
 - Working in any space visited by members of the public, regardless of whether anyone from the public is present at the time;
 - Working in any space where food is prepared or packaged for sale or distribution to others;
 - Working in or walking through common areas, such as hallways, stairways, elevators, and parking facilities;
 - In any room or enclosed area where other people (except for members of the person's own household or residence) are present when unable to physically distance.
 - Driving or operating any public transportation or paratransit vehicle, taxi, or private car service or ride-sharing vehicle when passengers are present. When no passengers are present, face coverings are also strongly recommended.
 - While outdoors in public spaces when maintaining a physical distance of 6 feet from persons who are not members of the same household or residence is not feasible

The following individuals are exempt from wearing a face covering:

- Persons with a medical condition, mental health condition, or disability that prevents wearing a face covering. This includes persons with a medical condition for whom wearing a face covering could obstruct breathing or who are unconscious, incapacitated, or otherwise unable to remove a face covering without assistance.
- Persons who are hearing impaired, or communicating with a person who is hearing impaired, where the ability to see the mouth is essential for communication.
- Persons for whom wearing a face covering would create a risk to the person related to their work, as determined by local, state, or federal regulators or workplace safety guidelines.
- Persons who are obtaining a service involving the nose or face for which temporary removal of the face covering is necessary to perform the service.
- Persons who are seated at a restaurant or other establishment that offers food or beverage service, while they are eating or drinking, provided that they are able to maintain a distance of at least six feet away from persons who are not members of the same household or residence.
- Persons who are engaged in outdoor work or recreation such as swimming, walking, hiking, bicycling, or running, when alone or with household members, and when they are able to maintain a distance of at least six feet from others.

NOTE:

- If you are State employees and have a condition that exempts you from wearing a mask, please contact Hilda Vargas for guidance on obtaining medical substantiation- Hilda.Vargas@CalOES.ca.gov, 916-845-8661. Please remember, people may have valid reasons for not wearing a face covering. If you have concerns about others not wearing face coverings, maintain physical distancing and raise the concern with Human Resources. For more specifics, please refer to the new [Guidance for the Use of Face Coverings](#).
- **IF you are a FEMA employee and unable to wear a cloth face covering, submit a reasonable accommodation request to your supervisor for: (1) an alternative face covering to be provided by FEMA, or (2) continued telework. Both requests are subject to adjudication through normal reasonable accommodation processes.** Responding to COVID-19 can take an emotional toll on you. Contact FEMA [Employee Assistance Program \(EAP\)](#) for free confidential counseling 24 hours a day, seven days a week. Toll Free: 800-222-0364 www.FOH4you.com

Misc.

As mentioned previously, Facilities has provided one-time use masks to Cal OES facilities and supervisors that have requested them. In order to ensure all locations maintain a suitable inventory, Facilities will continue to provide an inventory of masks for staff use.

Immediately report to your supervisor if you feel ill.

- Maintain social distancing of (6) feet or greater, including around tables, teleconference areas, and work areas.
- Practice proper hand hygiene - Wash your hands with soap and water for at least 20 seconds.
- Review and understand the Health and Safety Plan specific to COVID-19 incident.
- Immediately report to your supervisor if you feel ill.
- Be familiar with the building emergency plans, evacuation routes, shelter-in-place plans, and AED.
- Critical Incident stress during these uncertain times can effect anyone at any time. Peer counselors are available as a resource 24 hours a day @ (833) 928-2396 or COVIDPeerSupport@SOC.CalOES.ca.gov.
- Ensure good communication and accountability plans are established and followed by all staff.
- The policy regarding bringing food into the State Operations Center has been updated in the Health and Safety Procedure.

Symptoms of Covid-19 (per CDPH) *Please, do not come to work if you are sick.*

- Fever, Chills, Cough, Shortness of breath, Fatigue, Muscle or body aches, Headache, New loss of taste or smell, Sore throat, Congestion or Runny Nose, Nausea, Vomiting or Diarrhea.

This general COVID-19 response safety message applies starting Fri 7/10/20 and across all Operational Periods. It will be revised as needed.

- All CDPH employees, contractors, and trainees taking part in field visits or other response activities will not place themselves, or allow others to be placed in a hazardous situation.
- If you ever feel that you and/or your co-workers are in a danger, immediately remove yourself and co-workers to a safe place.
- Follow CDPH guidance for PPE, face masks, and cloth face coverings.
- Remain mindful of changing surroundings, don't be caught off guard.
- Mental and emotional stress can lead to accidents; watch out for each other in these trying times.
- Ensure you have rostered and received a deployment-specific safety briefing from the Safety Officer.
- Identify the nearest medical facility in case of emergency.

Observe safety procedures as required in all facilities:

FIELD SUPPLIES

- Hand sanitizer; Cleaning/disinfecting wipes
- Adequate supply of PPE
- Supplies and methods to decontaminate or dispose of PPE
- Masks and/or cloth face coverings
- Change of clothes/shoes or an outer layer that is easy to remove before getting into the car, as necessary

TRAVEL

*****Air travel**

- Sit where you have entire row to yourself, if possible; additionally, if at all possible have 2 rows in front and 2 rows in back clear
- Wipe down the tray, armrests, and other surfaces
- Clean hands before eating or drinking

*****Public transportation**

- Avoid touching surfaces as much as possible
- Wash hands or use hand sanitizer after touching ticket dispensers, elevator buttons, etc.

*****Taxi/Rideshare (Uber, Lyft)**

- Avoid airport multi-passenger van transportation as much as possible
- Avoid sitting close to other passengers and avoid sitting up front with the driver
- Make sure the driver and other passengers wear face coverings
- Avoid getting into a car where the driver is not wearing a face covering
- Avoid handling cash, if possible

*****Driving**

- Observe the speed limit, drive with headlights on, wear your seatbelt
- Do not leave belongings in plain view in the vehicle; lock the car

PERSONAL SAFETY

- Do not shake hands
- Touch as little as possible
- Practice physical distancing, maintain 6 feet distance from others, as possible
- Avoid touching your face
- Bring and wear PPE, face masks, or cloth face coverings as required
- Wash hands as often as practicable
- If visiting facilities outside of an LHD office, do not eat, drink, smoke or apply cosmetics (even lip balm) at the site
- Be aware of other personal safety considerations: safe driving, injuries, violent encounters, inter-personal conflicts due to stressful situations
