OUTREACH SERIES INFORMATION AND INVITATION:

Homeland Security Grant Program (HSGP) Outreach Series for HSGP Applicants and Stakeholders

Please share this invitation broadly

The Federal Emergency Management Agency's (FEMA) Grant Programs Directorate, in partnership with the Department of Homeland Security's (DHS) Cybersecurity and Infrastructure Security Agency (CISA), Countering Weapons of Mass Destruction (CWMD) Office, and Office of Intelligence and Analysis (I&A), invites all potential HSGP applicants and sub-applicants (inclusive of the State Homeland Security Program, Urban Area Security Initiative, and Operation Stonegarden) to participate in one of the upcoming outreach calls regarding the fiscal year (FY) 2021 HSGP. The FY 2021 HSGP will provide \$1.12 billion in funding support to state, local, and territorial governments for security related activities to prevent, protect against, respond to, and recover from terrorist attacks. Additional program information is located at [Preparedness Grants | FEMA.gov](https://www.fema.gov/programs/preparedness-grants).

Each outreach call will present similar content, including but not limited to: FY 2021 HSGP overview; changes/highlights; eligibility; allowable costs; an overview of the National Priority Areas; and how to apply. Additionally, FEMA will provide online informational resource links to program documents, environmental and historic preservation requirements, and physical safety/security tools. Finally, there will be a question and answer session during each outreach call.
