

FEMA COVID-19 Update

Key Messages

- On June 6, President Biden's Administration announced that starting next week, several private sector childcare companies and the YMCA will offer free, drop-in childcare while parents are getting vaccinated.
- Working with state governments, FEMA will continue to provide federal support to community vaccination centers, including supplemental vaccine allocation to nine pilot sites.
- There are nine active or temporarily closed federal community vaccination center pilot sites and 90 mobile pop-up sites receiving supplemental vaccine allocations and other federal support. Additionally, there are three federal community vaccination center pilot sites that are receiving federal personnel support but are no longer receiving supplemental vaccine allocations. Twenty-seven federal community vaccination center pilot sites and 130 mobile pop-up sites have completed the pilot program.
 - The federal community vaccination center pilot sites have administered more than 5.6 million vaccinations
- As of June 4, 18 mobile vaccination units are deployed to Arizona, Connecticut, Idaho, Maine, Maryland, Nevada, New Mexico, New York, and Oregon.
 - The mobile units have delivered more than 56,100 vaccinations.
- Individuals interested in receiving a COVID-19 vaccine can visit vaccines.gov to find a location close to them and make an appointment. Individuals can also text their zip code to 438829 to receive a text with the closest COVID-19 vaccine location. In addition, individuals can get a free ride to and from the COVID-19 vaccination centers from two ridesharing companies through July 4.
- FEMA is processing applications for [funeral assistance](#) to provide financial assistance for COVID-19 related expenses.
- As of June 8, FEMA has received more than 212,000 funeral assistance registrations and approved more than \$203.3 million in assistance to individuals.
