Insurance agent continuing education course approval and credits vary by state. [CLICK HERE](#) for information about your state.

PLEASE NOTE: This course does not meet the training requirement listed in the Federal Register notice on training and education requirements related to the Flood Insurance Reform Act of 2004, otherwise known as FIRA 2004.

RISK RATING 2.0 - EQUITY IN ACTION WEBINAR

FEMA has updated the National Flood Insurance Program's risk rating methodology through the implementation of a new pricing methodology called **Risk Rating 2.0 - Equity in Action**. The methodology leverages industry best practices and cutting-edge technology to enable FEMA to deliver rates that are actuarially sound, equitable, easier to understand and better reflect a property's flood risk.

This webinar brings agents the latest information on Risk Rating 2.0's implementation. It will also discuss the following key topics:

- **What is Risk Rating 2.0: Equity in Action**
- **What led to this NFIP transformation**

- **The NFIP today**
- **What has changed**
- **What has not changed**
- **Transition of current policies**

REGISTRATION INFORMATION

To register, please use the links above. These webinars are **FREE** to attend, but spaces are limited so please register early.

CONTINUING EDUCATION CREDITS

Continuing education course approval and credits vary by state for insurance agents. [Click Here](#) for information about your state.

PLEASE NOTE: This course does not meet the training requirement listed in the Federal Register notice on training and education requirements related to the Flood Insurance Reform Act of 2004, otherwise known as FIRA 2004.

Periodic learning checks will be conducted to measure attendee engagement. **Learning checks must be completed by each registered attendee to earn continuing education credit. Only registered attendees are eligible to receive continuing education credits. No exam is required.**

Currently, there are no continuing education credits available in Puerto Rico, Guam or the United States Virgin Islands.
